Prof Giovanni Milito

Nato a Rovito (CS) il 11/07/1949

Current Position

Surgeon

Surgeon in General Surgery

Specialist in Digestive Surgery and Endoscopy

Qualified for National Chief in General Surgery

Associate Professor for the scientific field MED 18-GENERAL SURGERY at the the University Hospital of Roma “Tor Vergata” since the 1/11/2003

Professor in General Surgery at the University of Roma “Tor Vergata”

Professor at the Specialization of General Surgery, Plastic and Reconstructive Surgery, Gynecology and Gastroenterology at the Univerisity Hospital of Roma “Tor Vergata”

Head of Post - Graduate School in Colon - Proctology at the University of Roma “Tor Vergata”

Curriculum studiorum

- 🚦 1973: **Graduate with Honor in Medicine** at the University of Roma “La Sapienza”
- 🚦 1974: **Qualification as Physician**
- 🚦 1973-1975: **Internship** with care at the University of Roma “La Sapienza” (Head Prof Umberto Casciani)
- 🚦 1975: **Scholarship** at the University of L'Aquila
- 🚦 1976: **Training and Teaching** at the University of Roma "La Sapienza".
- 🚦 1978: **Postgraduate with honor in General Surgery** at the University of Roma “La Sapienza”
- 🚦 1984: **Postgraduate with honor in Digestive Surgery and Endoscopy** at the University of Roma “La Sapienza”
- 🚦 1987: **Researcher Confirmed at the Chair of Surgical Therapy** at the University Hospital of Roma “Tor Vergata” (Head Prof Carlo Umberto Casciani)
- 🚦 2003: **Associate Professor** for the scientific field MED 18-GENERAL SURGERY at the University of Roma “Tor Vergata”
- 🚦 2014: **Eligibility** as Chief of General Surgery

Past Positions

- ✚ 1981-1987: **Researcher Confirmed at the V Chair of Pathology and Clinical Surgery** (Head Prof. Carlo Umberto Casciani) at the Univesity Hospital of Roma “La Sapienza”
- ✚ 1987-2000: **Researcher Confirmed at the Chair of Surgical Therapy** at the University Hospital of Roma “Tor Vergata” (Head Prof Carlo Umberto Casciani)
- ✚ 1983-1988: **Head of the research project** of “Digestive Tract Tumours” at the C.N.R.
- ✚ 1989-2000: **Professor** of the school of “Medical and Scientific Journalism (Head Prof Carlo Umberto Casciani)
- ✚ Since 1990: **Professor** in General Surgery at the Post - Graduate School of General Surgery (Head Prof Carlo Umberto Casciani)
- ✚ Since 1990: **Professor** in General Surgery at the Post - Graduate School of Plastic and Reconstructive Surgery (Head Prof Carlo Umberto Casciani)
- ✚ 2000: **Associate Professor** in Medicine at the University Hospital of Roma “Tor Vergata”
- ✚ 2003: **Associate Professor** for the scientific field MED 18-GENERAL SURGERY at the University of Roma “Tor Vergata”

Training Periods

- ✚ 26 Luglio 1978- 23 Febbraio 1979: Clinical practice and research in the Colon, Rectum and Anus disease at the **St. Mark's Hospital di Londra** (Winner of scholarship N.A.T.O.) Head Dr *Cristopher Williams*
- ✚ 1988: Two months at the **Queen Elisabeth Hospital di Birmingham** where he learn new techniques on diagnostics and endoscopic therapy of disease of pancreas a biliary tract
- ✚ 1991: Two months at the *University Hospital of Montpellier* where he worked in practice laparoscopic surgery and liver transplants

Teaching Activities

During this years he actively participated since 1973 on teaching activities. Since 1973 he has practical exercises for students of the Course in Medicine with theoretical and practical lessons, in the operating room, endoscopy and emergency room.

He teaching digestive endoscopy in the course of Clinical and Surgical Pathology.

Since 1997 Giovanni Milito was the secretary of the post - graduate school of General

Surgery at the University of Roma "Tor Vergata" directed by Prof. Carlo Umberto Casciani.

Since 1990 he taught "General Surgery" at the post - graduate school of General Surgery and Plastic Surgery directed by Prof. Carlo Umberto Casciani.

From 1997 to 2000 he was coordinator the Master in Colon - Proctology at the University of Roma "Tor Vergata" directed by Prof. Carlo Umberto Casciani and since 2000 directed by Prof. AM Farinon.

Nowadays He's director of the Unit of Coloproctology - UCP initially at the Hospital of Roma Sant'Eugenio and transferred to the University Hospital of Roma "Tor Vergata".

Since the October 31 1995, he 's the adviser of the Italian Society of Digestive Endoscopy

POST – GRADUATE SCHOOL

- **Adviser** of Post - Graduate School of General Surgery at the University of Roma Tor Vergata since 1997of
- **Professor** of Post - Graduate school of General Surgery at the University of Roma Tor Vergata since 1990
- **Professor** of Post - Graduate school of General Surgery and Plastic Surgery at the University of Roma "Tor Vergata" from 1989 to 1997
- **Professor** of Post - Graduate School of Gynecology at the University of Roma Tor Vergata since 2001

Clinical Activity

From November 1 1973 to 1975 he actively participated in the operating room, both elective and emergency, and in the Department's activities at the Institute of Surgical Clinic II at the University of Roma "La Sapienza" directed by Prof. Carlo Umberto Casciani.

From 1976 to 1980, research fellow at the V Surgical Pathology directed by Prof. Carlo Umberto Casciani.

From 1979 he has been worked in the Digestive Endoscopy Division performing over 15.000 endoscopic exams.

From 1980 he worked as confirmed research fellow.

From April 1 1987 to March 2 1990 he worked at the Department of Clinical Surgery and Organ Transplants at the University Hospital of Roma "Tor Vergata" and Roma "Sant' Eugenio" directed by Prof. Carlo Umberto Casciani.

From 1990 to 2001 he has been worked as assistant surgeon in the Clinical Surgery Division and Organ Transplant Service and he has been directed the Digestive Endoscopy Division at the University Hospital of Roma "Sant'Eugenio"

From November 2001 he's Associate Professor of General Surgery at the Department of General Surgery directed by Prof. AM Farinon.

Organizing Activity Congress

- ❖ Member of the Organizing Committee of the Congress “ UPDATE ON MEDICINE” International Workshop, Venice 5-8 December 1980
- ❖ Member of the Scientific Secretariat of the VI National Course upgrade Digestive Surgery, FatebeneFratelli – Rome, 11-15 March 1985
- ❖ Member of the Secretariat of the International Update Course of Surgery, Directed by Prof. Carlo Umberto Casciani, Rome, 16-19 March 1988
- ❖ Member of the Secretariat of the Sixth National Congress of the Italian Society of Thoracic Endoscopy, Rome, 13-19 June 1991
- ❖ Presidente della Segreteria Organizzativa del Corso Pratico Internazionale "VIDEOCHIRURGIA IN DIRETTA" chirurgia del colon, del retto e chirurgia laparoscopica (Presidente dal Professor Carlo Umberto Casciani); Roma, 20 -22 gennaio 1994.
- ❖ Director of the International Practical Course “Videosurgery Live” in colon, rectum ad laparoscopic surgery (Chairman Prof. Carlo Umberto Casciani) Rome 20-22 January 1994
- ❖ Director of the International course “New technique of correction of the rectocele and anal prolapse with stapler” Rome, 1998
- ❖ Director of the Conferences UCP – Club as part of the National Congress of Coloproctology, Milan 1999
- ❖ Director of the National Congress of the Italian Society of Coloproctology and First Joint Meeting of the Italian Association of Urology

- ❖ Director of the “National Congress of Spring” of the Italian Society of Colorectal Surgery, University of Tor Vergata, Rome, 23-24 April 2007
- ❖ Chairman of the Educational Colorectal Meeting of the Italian Society of Colorectal Surgery: Postoperative complications, Rome 15-16 September 2008

Scientific Activity

The scientific activity of Professor Giovanni Milito is documented by publications in National and International Journals. He has also participated in numerous national and international meetings and scientific contributions published in Proceedings and Journals. The scientific production focuses on organ transplants, surgery of the gastrointestinal tract, coloproctology and diagnostic and operative digestive endoscopy. He also participated, since 1992, in the surgical activity and postoperative management of patients undergoing liver transplantation. His attention is always paid to the coloproctology surgery. In particular, it is dedicated to the treatment of malignant and benign anorectal disorders, chronic constipation and fecal incontinence. Further areas of interest are represented by the surgical treatment of inflammatory bowel disease with particular regard to the interventions of restorative proctocolectomy and packaging of ileal reservoir in patients suffering from ulcerative colitis.

The guidelines of scientific activity in which he has worked over the years are as follows:

- ♣ Pathophysiology, surgical treatment of haemorrhoids
- ♣ Surgical treatment of perianal fistulas with special emphasis on the use of tissue flaps in complex fistulas
- ♣ Surgical treatment of pilonidal disease with transposition of pedicled tissue flap
- ♣ Treatment of anal fissure with particular attention to the results and complications of sphincterotomy
- ♣ Surgical Treatment of rectal prolapse with particular regard to the use of prosthetic materials and mechanical suturing
- ♣ Use of endoscopy in the diagnosis and treatment of inflammatory and neoplastic colonic disease
- ♣ Treatment of bleeding and cancer of the esophagus, colon, sigmoid and rectum with Nd-Yag Laser

- ♠ Diagnosis and treatment of fecal incontinence by focusing on interventions sphincteroplasty
- ♠ Surgery of the rectum and pelvic floor with an emphasis on the use of new tools such as radio frequency
- ♠ Multimodal treatment of colorectal cancer by focusing on the role of surgery radioimmunoguided
- ♠ Laparoscopic Colorectal surgery
- ♠ Physiology and immunosuppressive therapy in renal transplantation
- ♠ Gastroenterological issues of uraemic patients on chronic dialysis and transplant patients
- ♠ Surgical treatment of inflammatory bowel disease, with particular attention to the results and follow-up of patients treated surgically

National and International Journals

He has made scientific publications in the following national and international journals

- ❖ American Journal of Gastroenterology
- ❖ Annali Italiani di Chirurgia
- ❖ British Journal of Surgery
- ❖ Italian Surgery
- ❖ Colorectal Disease
- ❖ Day Surgery
- ❖ Diseases of the Colon & Rectum
- ❖ International Journal of Colorectal Disease
- ❖ Italian Journal of Surgical Science
- ❖ Minerva Chirurgica
- ❖ Techniques of Coloproctology
- ❖ World Journal of Surgical Oncology

Activity as Reviewer

He continues to act as referee and reviewer on behalf of the following international Journals :

-  Colorectal Disease
-  Techniques in Coloproctology

Member of the Editorial Board of the following Journals :

-  Gastroenterological Surgery
-  Colorectal Disease
-  Techniques in Coloproctology
-  Rivista di pelviperineologia
-  World Journal of Gastroenterology

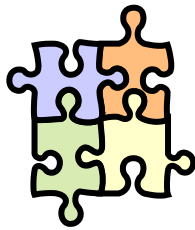

Scientific Societies Affiliation

Ordinary member and Active member of the following scientific societies:

- ◆ Italian Society of Surgery
- ◆ Italian Society of Colorectal Surgery
- ◆ Italian Society of University Surgeons
- ◆ Italian Society of Digestive Endoscopy
- ◆ Italian Society of Ambulatory Surgery and Day Surgery
- ◆ Italian Society of Coloproctology
- ◆ Coloproctology Italian Unit
- ◆ Collegium Internationale Chirurgiae Digestivae
- ◆ St. Mark 's Association
- ◆ Alumn of the Cleveland Clinic
- ◆ American Association of Colorectal Surgeon
- ◆ European Society of Coloproctology

Prof Giovanni Milito

Participations in National and
International Conferences

Participations in National and International Conferences

- ◆ XIII Congress of the Italian Society for Organs Transplantation, Verona October 1975
- ◆ IX Congress of the Italian Society for Organs Transplantation, Catanzaro 1976.
- ◆ 50 mo Congress of the Italian Society of Urology, Ancona 1977.
- ◆ 79 mo Congress of the Italian Society of Surgery, Florence 1977.
- ◆ British Congress of Gastroenterology, Edimburgo 1978
- ◆ XII Congress Italian Society of Organ Transplantation, Bari June 1979.
- ◆ Meeting “Advances in Colonscopy” Turin, Settembre 1981.
- ◆ 3rd International Symposium of Digestive Surgery and Endoscopy, Aprile 1983.
- ◆ 2nd International Congress of the International Society for Diseases of the Oesophagus, Ancona Maggio 1983.
- ◆ World Congress of the International Collegium Chirurgiae Digestivae. Amsterdam, September 1984.
- ◆ 86 mo Congress of the Italian Society of Surgery October, Roma 1984.
- ◆ October 1985 - Turin - 87^o Congress of the Italian Society of Surgery
- ◆ 4th International Symposium of Digestive Surgery and Endoscopy. Rome, April 1986.
- ◆ 5th International Symposium of Digestive and Endoscopy. Paris, May 1987.
- ◆ Scientific Meeting on the Peptic Ulcer, Oslo July 1986.
- ◆ Meeting: Advances in Coloproctology, Bologna October 1986.

- ◆ National Congress of the Italian Society of Digestive Endoscopy, Trieste September 1987.
- ◆ 89 Congress of the Italian Society of Surgery, Naples October 1987.
- ◆ III National Congress of S.I.A.T.E.C., Verona November 1987.
- ◆ European Council for Coloproctology, Geneva May 1988.
- ◆ XVIII Congress of Italian Society of Emergency Surgery, Cosenza May 1988.
- ◆ II Congress of Colonproctology September 29 - October 1 1988.
- ◆ 90 Congress of Italian Society of Surgery, Rome October 1988.
- ◆ Meeting : Project of Oncology, Milan July 1989.
- ◆ 91 Congress of Italian Society of Surgery, Genova September 1989.
- ◆ World Conference of Collegium Internationale di Chirurgiae Digestivae, Toronto September 1989.
- ◆ 5th International Symposium of Digestive Surgery and Endoscopy. Roma, October 1989
- ◆ XII Congreso Internacional de Cirurgia Addominale Madrid, May 1989.
- ◆ 8° Congress of Italian Society of Lasertherapy. Padova, November 1990.
- ◆ II Course of Gastroenterology and Digestive Endoscopy, Cogne January 1991.
- ◆ Course of "Coloproctology", St. Mark's Hospital-London May 1991
- ◆ Joint-Meeting: Colorectal Surgery, Vienne May 1991.
- ◆ IV National Congress of the Italian Society of Researches and Applications of Laser Medicine and Surgery, Catania May 1991.

- ◆ III Meeting of Digestive Endoscopy, Catania June 1991.
- ◆ International Surgical Week, Stoccolm June 1991.
- ◆ Congress of the Italian Society of Gastroenterology and Digestive Endoscopy, Catania November 1991.
- ◆ 2nd International Conference on Advanced Laparoscopic Surgery - Live Video Surgery Rome, November 1991.
- ◆ III Congress of Gastroenterology and Digestive Endoscopy Cogne, January, 1992.
- ◆ International Conference of the Surgical Update in Inflammatory Bowel Disease, of the Rectum and the Anus" Riva del Garda, May 1992.
- ◆ European Council for Coloproctology, Marsiglia Maggio 1992.
- ◆ 91st Annual Convention of American College of Colorectal Surgeons, San Francisco June 1992.
- ◆ United European Gastroenterology Week. Athens, September 1992.
- ◆ III International Videosurgery Forum, Rome March 1993.
- ◆ International Surgical Training, Methodist Hospital of Hattiesburg (U.S.A.). June 1993
